Motion Passes

**Commissioner's Discussion**

The Advisory Board recommended the following security improvements be made at the Riding Center:

- Motion activated flood lights in the parking lots and building areas
- Installation of a panic alarm button or direct phone line to 911
- Security cameras added to all outdoor arenas, parking lots and barn aisles

Dennis Kelly informed the Board that talks regarding the transfer of properties located in the Barrington Hill's Park District to the South Barrington Park District to facilitate future development in Hoffman Estates will continue.

**Board of Commissioners**  
**November 9, 2022**

Kevin Ward's trail clearing technique of removing buckthorn trees by uprooting them is not in accordance with current forest preserve ecological practices and should not be done in the future on any forest preserve trails.

A horse trailer belonging to a student of Kenny Dierks was parked illegally in front of the Indoor Arena door and the Administrator will contact Kenny Dierks informing him of the violation and to tell his students to follow the rules as posted.

A large run-in shed located on the Hill 'n Dale property, now owned by Citizen's for Conservation, has been offered as a donation to the Park District. The Park Board declined the offer based on the size of the structure and the available space to place it at the Riding Center.

Respectfully submitted,  
Steven Allen  
Acting Secretary
