Park Board Meeting Minutes
July 12, 2023

Commissioner's Discussion:

Margaret Palmer presented the Advisory Committee report to the Board which included:

- Members of the Advisory Committee would like to create a long-term landscape and grounds safety committee for work performed at the Riding Center.

The Board reviewed the rental applications proposed by the Pony Club.

There has been a delay in the Forest Preserve District reviewing the Park Board's Horizon Farm track proposal as there was a change in personnel at the FPD. There was also a discussion on the fencing that's been pulled out along the driveway at Horizon Farms with concern for filling the holes.

There was discussion on whether to have a Pony Wheel or a Petting Zoo at the Fall Community Festival.

Respectfully submitted,
Kim Keper
