Commissioner's Discussion:

Next month's meeting will be held one hour earlier in order to give extra time for the Efficiency Act Meeting. The Administrator will send out the required OMA notices.

Maintenance: Nails sticking out from the boards that warped over time in the indoor and outdoor arena should be nailed in. A more stable mounting block should be placed next to the dressage arena.

The Indoor winter schedule will be reviewed at the October meeting.

The Park District logo should be placed on the new tractor and its implements.

Respectfully submitted,
Jessica Underwood
Secretary
